I just wanted to take a moment of your time to say goodbye. I am retiring on June 2nd

I have worked with you in some capacity over the years, whether it was on a HQ workgroup or a site somewhere or training course. I will have an opportunity to say goodbye to the Region 3 folks, but would not have the chance to say goodbye to all of you, without this email.

It's been an honor to work at EPA with you all. EPA was always where I wanted to work, planning to "save the planet". Yes, I remember the original Earth Day in 1970, as a junior in High School. When I arrived at EPA in 1975, I worked in the Water Division and Environmental Services Division (ESD) before becoming an OSC in 1989. Since then I have enjoy the job immensely. Much of that enjoyment has been in working with all of you over the years.

I plan to do some teaching, part-time, at a local community college and enjoy some hobbies and travel. If you want to stay in touch with me, you can reach me at my college email address. rfetzer@northampton.edu

Good luck to you all in your remaining years at EPA. Take care, God bless, good luck, and Thanks for all the memories.

Rich.
